

2007 First Grid Cabernet Sauvignon

The Cabernet Sauvignon for this wine was hand-harvested from some of the South Burnett's oldest vines grown on the highly-acclaimed Barambah vineyard.

Produced from a very reliable growing season with expected low volumes and high ripeness. Matured in French hogheads before blending, this has all the hallmarks of good quality Cabernet Sauvignon - aromas of blackcurrant, cloves and a touch of leafiness on the nose, balanced by a full palate of dark forest fruits, licorice and well-integrated fine-grain tannin.

2008 First Grid Shiraz - SOLD OUT

Last 6 dozen available

Premium Shiraz continues to be produced from this rich and fertile 2ha plot of well-established vines. Grown on the Barambah vineyard in the moderate climate of the South Burnett.

The 2008 vintage was picked early due to forecast wet conditions. A classy style of Shiraz, a little more aromatic than usual and picked with great complexity, the nose displays intense cedar, mocha and choc mint, all held together by the combination of 2 and 3 year old quality French oak and a touch of new oak. Aged on lees, this wine has a long coil of tannin and an opulent fullness on the palate. Orth cellaring if you have the patience.

2010 Rack Dried Semillon 375ml

The Semillon for this wine was hand-harvested from some of the South Burnett's oldest and highly-acclaimed grape vines grown on the dependable Barambah Wines vineyard.

This wine from an outstanding 2010 vintage was made from hand-harvested portions of Semillon grapes dried for five weeks on racks of Barambah design.

Using the company's special techniques, the grapes were re-fermented with dry Semillon wine and aged in French hogshead oak.

The balanced sweetness and full-bodied sweet wine flavours of this ancient style are high-quality hallmarks of this mature Barambah Wines vineyard.

2007 First Grid Verdelho

" Verdelho is of Mediterranean heritage and finds a natural home in the South Burnett. This is Barambah's first Verdelho and an unwooded addition to our strong range of premium wines. The vineyard produced optimum ripening, high natural acidity and balanced rich fruit sweetness – perfect for whole bunch pressing. The result is aromatic, fresh with tropical fruit flavours and finishes with lingering limey acidity. Match with exotic foods – perfectly suited to a Queensland lifestyle."
